

3200

# What sets the DEUS 3200 apart from other controlled descent systems? Everything.

Four independent brakes for extra safety, ease of use and control:

Contoured shape fits hand

Oversized control knob is easy to turn, even with wet gloves

Round edges avoid snagging

1. Drum brake with control knob actuation for hands-free speed control

2. Centrifugal brake guards against free fall

3. Figure 8 brake for redundant safety

4. Manual rope tailing brake for precise control

Pocket sized: 13 x 9 x 6 cm

Control knob makes operation hands-free both "stop" and "go"

Machined aluminum, stainless steel, titanium and brass

Descent speed limited to 3 meters/sec – like jumping from a chair

NFPA certified: 1983 (06-ED) "Escape"

Use for search and rescue or tactical positioning

Back cover pivots open for easy rope changes

## Every detail is designed to save lives.

For controlled descent, the DEUS 3200 is in a class by itself. Designed for law enforcement, it features four redundant brakes for extra safety, hands free operation, free fall protection and durable construction. Plus, it's ideal for descent and positioning, travel restraint, rapid sequential rescues, heavy rescue and more, making it your "does it all" tool for search and rescue or tactical operations.

DEUS • RESCUE

Ideal for tactical operations.  
Perfect for search & rescue.

**Your All-in-One Rescue System**

Use the DEUS 3200 for personal rescue, 2-person rescue, heavy rescue, vertical positioning, confined space rescue, hauling and lifting.

**Simple Operation**

The oversized control knob is all you need for complete control, even with heavy gloves. Stop or go and change speed any time during descent.

**Lightweight & Portable**

Pocket-sized and just 0.9 kg (plus rope).

**Extra, Extra, Extra, Extra Safe**

Offers quadruple-redundant safety with four brakes: a hands-free figure-8, a drum brake, a manual friction brake for precise control, and an automatic centrifugal brake to protect from free fall.

**Hands Free**

Operates fully hands free, stop or go, while protecting you from free fall.

**Built for Performance**

Features a rock-solid case and professional grade construction.

**Uses Quality DEUS Rope**

The DEUS 3200 is certified for use only with 7.5 mm DEUS ropes. These NFPA-certified kernmantle technical ropes are specifically designed for the DEUS 3200.

**Proven Reliable**

Tested and certified to meet NFPA standards.

**Only from DEUS Rescue**

DEUS Rescue delivers innovative professional rescue solutions worldwide. For more information, visit [www.DEUSrescue.com](http://www.DEUSrescue.com).

DEUS accessories include a selection of ropes, bags and harnesses.

**SPECIFICATIONS**

- Model No.:** DEUS 3200
- Item:** Controlled Descent System for Law Enforcement
- Weight:** 0.9 kg (plus rope)
- Dimensions:** 13 x 9 x 6 cm (5.3 x 3.5 x 2.2 in)
- Descent Rate:** See chart
- Load Rating:** Up to 136 kg (300 lb)
- Operation:** Hands-free or manual
- Construction:** Aluminum, stainless steel, titanium, brass
- Standards:** NFPA 1983 (06 ED) "E"
- Accessories:**
  - Included** Nylon carry bag
  - Available Rope:** 7.5 mm FireBrite rope, 7.5 mm Training rope, 7.5 mm NightLite rope

**DEUS 3200 Maximum Hands-Free Descent Speed is Dependent on Load**
